NAVAL RESEARCH ENTERPRISE INTERNSHIP PROGRAM (NREIP)

The Naval Research Enterprise Intern Program (NREIP) provides an opportunity for students to participate in research at a Department of Navy (DON) laboratory during the summer. The goals of the NREIP are to encourage participating college students to pursue science and engineering careers, to further education via mentoring by laboratory personnel and their participation in research, and to make them aware of DON research and technology efforts, which can lead to employment within the DON.

PROGRAM HIGHLIGHTS

NREIP provides competitive research internships to approximately 200 college students (139 undergraduate students and 61 graduate students) each year. Participating students typically spend ten weeks during the summer doing research at approximately 12 DoN Laboratories.

Students receive a stipend.

ELIGIBILITY

Applicants must be U.S. Citizens

Applicants must be enrolled at an eligible college/university (comprised of approximately 166 institutions.)

Applicants must be a Junior, Senior, or Graduate student to apply.

Applicants should have a major relevant to the research interests of the laboratories (science and engineering).

NREIP interns will be selected based upon academic achievement, personal statements, recommendation, and career & research interests.

Must be able to obtain an interim security clearance.

HOW TO APPLY

UNDERGRADUATE/GRADUATE STUDENTS

URI NUWC STUDENT SERVICES CONTRACT

The URI College of Engineering offers student internships at Division Newport both during the academic year as well as winter breaks and over the summer. In 1984, the University of Rhode Island was awarded the first student services contract. The contract authorized hiring students from institutions of higher. Students provide technical and analytical support to engineers and scientists at Division Newport.

STUDENT SERVICES PROGRAM MANAGER

URI POC: Sally Marinelli, 401-874-5467, nuwcpa@egr.uri.edu

PROGRAM HIGHLIGHTS

Students may work up to 20 hours per week during the school semester and 40 hours per week during the summer and school breaks.

Positions are available in the fields of engineering, computer science, mathematics, chemistry and physics for students attending any college or university.

You do not have to be a University of Rhode Island Student to apply.

ELIGIBILITY

A student is an individual who is enrolled full time during the term of the student technical support contract and remains in good standing at an institution of higher learning in a curriculum designed to lead to the granting by that institution of a recognized degree (GPA 2.5 or above). The student must have completed one semester of college to be eligible.

Must be a full-time student

Must be a U.S. Citizen

Must have a GPA of 2.5 or above

Must be able to obtain an interim security clearance

HOW TO APPLY

UNDERGRADUATE/GRADUATE STUDENTS

SCIENCE, MATHEMATICS AND RESEARCH FOR TRANSFORMATION

(SMART)

The Science, Mathematics And Research for Transformation (SMART) Scholarship for Service Program has been established by the Department of Defense (DOD) to support undergraduate and graduate students pursuing degrees in Science, Technology, Engineering and Mathematics (STEM) disciplines. The program aims to increase the number of civilian scientists and engineers working at DOD laboratories.

PROGRAM HIGHLIGHTS

This is a summer program for college students pursuing a bachelors or masters degree. The students receive a full scholarship from DOD including living expenses, tuition and fees and commit to working at Division Newport upon completion of degree.

DOD pays the full scholarship plus stipend during the full time summer internship at Division Newport.

ELIGIBILITY

Must be a U.S. citizen.

A student in good standing with a minimum cumulative GPA of 3.0 on a 4.0 scale (as calculated by the SMART application).

Pursuing an undergraduate or graduate degree in one of the disciplines listed on the website.

Willing to accept post-graduate employment with Division Newport.

Must be able to obtain an interim security clearance.

HOW TO APPLY

For more information concerning this program and how to apply please visit: http://www.asee.org/fellowships/smart/
WORKFORCE RECRUITMENT PROGRAM (WRP) FOR STUDENTS WITH DISABILITIES

This program is coordinated by the Office of Disability Employment Policy (ODEP) and the Department of Defense (DOD). The WRP is a referral program of college level students with disabilities who are seeking summer or permanent jobs. The candidates are recruited and referred by ODEP and DOD.

PROGRAM HIGHLIGHTS

This is a 14 week summer program for college students seeking summer internship opportunities. Annually, trained recruiters for the WRP program conduct personal interviews with more than 1,900 students with disabilities at college and university campuses across the nation, using the recruitment information a WRP database listing the qualifications of each student is opened.

Once a student is selected they can begin working at Division Newport as soon as May and must end their work period no later than 30 September.

For more information on this program please visit https://wrp.gov/LoginPre.do?method=login

ELIGIBILITY

Must be a US citizen.

Must be selected from the ODEP student database.

Must be able to obtain an interim secret clearance.
STUDENT TEMPORARY EMPLOYMENT PROGRAM (STEP)

Under this program college students are offered temporary employment at Division Newport. Employment can range from part-time or full-time summer jobs to positions that can last for as long as you are a student. These employment opportunities need not necessarily be related to the academic field of study. The program is designed to provide STEP students the opportunity to gain valuable experience under a temporary appointment.

PROGRAM HIGHLIGHTS
Students have such flexibilities as year round employment and flexible work schedules and assignments.

There is no limit on the number of times a student may be appointed as long as he/she meets the eligibility requirements for the appointment.

ELIGIBILITY
A student enrolled or accepted for enrollment as a degree-seeking student (diploma, certificate, etc.).

At least the minimum age required by Federal, state or local laws and standards governing the employment of minors.

Taking at least half-time academic or vocational and technical course load in an accredited high school, technical or vocational school, 2-year or 4-year college or university, graduate or professional school.

Must be a US Citizen

Must be able to obtain an interim security clearance

INQUIRIES ABOUT PROGRAM

If you are interested in participating in this program please send a resume and most recent copy of your transcript to NUWC_NPT_JOBS.FCM@NAVY.MIL, please put STEP Program as the subject of your email.
