Discover how great you can be: Consulting 101

Tuesday, October 7
5:30pm
MCS 148, 111 Cummington Mall

Have you ever wondered what a career in consulting looks like? What types of projects do consultants work on? Could you see yourself as a consultant?

Accenture, one of the world’s leading global consultant firms, invites you to an interactive session to introduce you to the basics of consulting where you can learn all about the industry and possible career paths.

Discover how great you can be.
